ID Band Sizing (actual size)

How to determine your size

- 1 Print this page
Note: ensure that “Actual Size” is selected in your printer settings
- 2 Cut out the ID Band Sizing measure above (along the red line)
- 3 While holding down the end that has the words “below” on your wrist, wrap the measure around your wrist.
Note: be sure not to pull too tight or allow too much slack
- 4 Your size will correspond to the shaded area where the other end lies
